Estate Inspection Dates 2011 Seven Locks Housing

If you want to check that the inspection is going ahead then call **01858 414 500** or email info@sevenlockhousing.co.uk

Do you want to help us make your community a great place to live? If so, come and join us on one of our estate management walkabouts.

Estate management walkabouts aim to give our tenants and housing officers the chance to work together to make our communities a better place to live. Everyone is welcome to join in and together we will walk around your area, identify any problems, discuss

environmental issues and talk about possible solutions.

We plan to visit our flats during the first week of each month and visit our other areas depending on the issues raised. The police and other agencies will also join us.

Look at the inspection timetable below for when we will be visiting your area. Please join us as we walk around the area where you live.
